

SOHEVA

News Letter #1

SOHEVA offers this news letter for existing & potential EV owners. Our goal is to provide basic EV selection and ownership information along with links to news stories about current developments in the EV world. We are EV owners and advocates offering our knowledge to help you in deciding whether EV ownership is right for you.

More Info at <https://soheva.net/>

If you would like to ask a question of an existing EV driver, email to contact@soheva.net
